

CALIFORNIA LEGION FAMILY EMERGENCY ASSISTANCE FUND

We made an oath: LEAVE NO WARRIOR BEHIND

You can help your fellow California veterans in their critical time of need.

Legionnaires all across Southern California have been devastated by the terrible fires raging in their communities. Many have lost everything - their homes, their pets, and a life of memories.

You can help. You can honor our commitment to leave no Legion member or family behind.

The California Legion Family Emergency Assistance Fund directly assists those who have lost everything. Applicants receive direct financial support, helping them get their first steps toward rebuilding their lives.

Today, tomorrow, and beyond: A lifetime of service to our fellow veterans

The California Legion Family Emergency Assistance Fund isn't a one-time program. Our mission is to build a powerful resource that's available to Legionnaires who face life-altering emergencies today and tomorrow.
